The image shows a Google Maps interface with search results for parking locations in downtown Seattle. On the left side, there is a list of search results, each with a name, address, phone number, and status. Each result also includes a 'WEBSITE' icon and a 'DIRECTIONS' icon. The map on the right shows the downtown area with various streets and landmarks. Red arrows point from the search results to specific locations on the map. A yellow star is placed on the map at the intersection of 4th Ave and Spring St, near the Seattle Public Library - Central Library. Other landmarks visible include the Rainier Tower, The 5th Avenue Theatre, and several hotels and parking garages.
